UP TO \$1160  
WHEN YOU  
UPGRADE  
YOUR  
OLD PAT**

**Upgrade  
your current  
working SAFETCHECK  
Professional to the latest  
SAFETCHECK Pro Logger II  
Portable Appliance Tester, complete  
with RCD Option, for only \$1280 (ex GST)**

The **STC Pro Logger II** is the fastest, simplest and most thorough Australian made Portable Appliance Tester on the market. Now with an integrated data logger as standard, testing appliances and recording measured results is as easy as pressing a button.

#### Portable Appliance Tester Upgrade Offer Options:

- STC Pro Logger II with No Options: **\$995 (ex GST)**
- STC Pro Logger II with RCD Tester & Isolation Transformer: **\$1280 (ex GST)**
- STC Pro Logger II with RCD & EB High Current Earth Test: **\$1615 (ex GST)**

The **STC Pro Logger II** is a big advance in testing. It is packed with features that mean even better value for the user. It is still the only portable appliance tester to ensure fail safe test conditions for compliance with the latest AS/NZS 3760 Standard. Designed and manufactured in Australia.

*Note: Does not include Small Cloak (\$165 ex GST)*

\*TRIO Smartcal reserves the right to refuse this offer e.g. dependant on a trade-in's calibration history
