

Buy the Best Get Rewarded

Receive a complimentary InfiniiVision 3000 X-Series oscilloscope when you buy an Infiniium oscilloscope, PXA signal analyzer, or PNA-X network analyzer.

Now Agilent Technologies' leadership in technology is paying off for you. The InfiniiVision X-Series has redefined oscilloscopes by using breakthrough technology to give you more scope for the same budget. We are so confident in the capabilities of these new oscilloscopes that we are rewarding you with a chance to experience it for yourself.

With every purchase of a qualifying product you will receive a complimentary InfiniiVision DSOX3034A 4 channel, 350 MHz oscilloscope! No extra paperwork required; your complimentary scope will be shipped with your order automatically.
